M. ETTOURNEAU & Co., PARIS, Rue St. Marc.

The rapid and extensive business done by our agents in the United States and Canada has created new commercial works which hitherto found very difficult to create.

The French Manufacturers have hitherto confined their attention almost solely to the exportation of their articles to America, but

now they are turning their attention to creating new and different articles for the fall and winter seasons, as worn by the fashionable ladies of PARIS, to be sent in C. AUPFOIX, No. 15 Beauvais, where orders will be received and punctually ex-ecuted.
